Announcing New Referral Incentive Program for Trinity Families

A Lion Opportunity!

The Office of Admissions is pleased to announce Trinity will be introducing an all new referral incentive program awarding existing families \$500 off tuition for referring a new Early Education or Elementary student. We consider each of our families to be an invaluable resource when it comes to promoting the mission and vision of Trinity Christian Academy. Many of you already volunteer so much of your time and efforts and for that we are truly grateful.

How do I refer a new student?

There are three requirements to successfully refer a new student:

1. Send admissions@mytcalions.com an email including the family's name and how you know them.
2. The new family must input your name on the referral portion of their online application.
3. The new student or family must be accepted and enrolled in order to receive the incentive.

Can I refer more than one new student?

Yes. Families can earn up to \$1500 off in tuition cost should they successfully refer 3 or more new students to Trinity.

When will the incentive be applied toward tuition cost?

You will receive \$500 off your September tuition payment OR a \$500 refund in September if you have already submitted full payment.

What grades does the incentive apply toward?

Little Lions through 5th grade
